Omar Rodi

Web developer

Eager 3rd-year Computer Engineering student with a solid foundation in web development. I build clean and responsive websites using HTML, CSS, JavaScript, and modern frameworks. I am seeking a summer internship where I can work on real projects, strengthen my skills, and contribute effectively to a development team.

Education

Bachelor Computer Engineering
Since October 2023 Cyprus International University Northern Cyprus (turkey)

BAC
From September 2022 to June 2023 Groupe scolaire benabdellah Marrakesh, Morocco
Bac science physique

Work experience

Assisted new international students in finding housing and adapting to life in a new country
Since September 2024 Tawjeeh agency Marrakesh, Morocco

- Supported newly arrived students in finding accommodation by coordinating visits and explaining local rental rules.
- Helped students complete university registrations, documentation, and online procedures correctly and on time.
- Provided daily support, answered questions, and solved administrative issues.Provided daily support, answered questions, and solved administrative issues.
